

DIABOLICA

Reincarnation

Bourbon Oak-Aged. This is not your ordinary wine. It is meant to tempt your senses. Reincarnated from their former life, Bourbon Oak barrels inspired our winemaker to toil with a unique Bourbon Oak aging process. This winemaking technique results in more complex flavours, with hints of vanilla, caramel, spice, & smoke with a smoother longer finish.

WINEMAKING NOTES

Somedays, our winemaker is easily distracted and we love that about him. It's that creative, free spirit that doesn't always adhere to the rules that we wanted for this unique Bourbon Oak-Aged red wine blend. Attention to detail mixed with creativity, experience, and great taste buds. A touch of this, a smidge of that, tasting, re-tasting, and voilà, a devilishly delicious wine. Then, he did a second oak-aging in Bourbon oak to impart rich vanilla, caramel, spice and smoke notes and to give you a smoother longer finish. This wine is big, yet approachable, and will tempt you into wanting more.

BOURBON OAK-AGED
for a unique taste and smoother longer finish.
tempt your senses
